

Abdullah Dahlan

PRINCIPAL GEOLOGIST

Bachelor of Engineering (Geology),
Hasanuddin University, Makassar

- 1994

OVERVIEW

Abdullah has 24 years experience in the mining industry. His experience includes reconnaissance work through detailed exploration mapping, resource definition drilling, management of the quality/grade control system, geological modeling through Resource estimation and reporting to JORC and KCMII standard.

EXPERTISE

- Exploration Project Management
- Geological Modelling using MINEX Software
- Quality Control Supervision
- Competent person for reporting of coal resources to JORC and KCMII Code Standards.
- Resource Audit and Review

CAREER SUMMARY

- 2008 - Present Principal Geologist - PT SMG Consultants Indonesia, Jakarta - Indonesia
- 2007 - 2008 Sr Mine Geologist - PT Nusa Halmahera Minerals, Halmahera Island - Indonesia
- 2006 - 2007 Sr Mine Geologist - PT Indomuro Kencana, Central Kalimantan - Indonesia
- 2004 - 2006 Sr Geologist - PT Thiess Contractor Indonesia, South Kalimantan - Indonesia
- 2003 - 2004 Geologist - PT Minvest Jasatama Teknik, Jakarta - Indonesia
- 1998 - 2002 Mine Geologist - PT Nusa Halmahera Minerals, Halmahera Island - Indonesia
- 1996 - 1998 Exploration Geologist - PT Puncak Baru Jayatama, Halmahera Island - Indonesia

AFFILIATIONS

- Competent Person for Coal Resources under JORC Code
- Competent Person Indonesia (CPI) for Coal Resources under KCMII Code
- Member of the Australian Institute of Mining and Metallurgy (AusIMM)
- Member of Perhimpunan Ahli Pertambangan Indonesia (PERHAPI)
- Member of Ikatan Ahli Geologi Indonesia (IAGI)
- Member of Masyarakat Geologi Ekonomi Indonesia (MGEI)
- Member of Persatuan Insinyur Indonesia (PII)
- Member of ASEAN Engineering Register (AER)
