- 2015 - 2023 Independent Principal Consultant - base in Jakarta, Indonesia
- 2012 - 2015 Research & Development Manager - PT Masmindo Dwi Area
- 2009 - 2012 Technical Director - PT Prima Sarana Gemilang
- 2007 - 2009 Operation Manager Satui Coal Project - PT Thiess Contractors Indonesia
- 2006 - 2007 General Manager - PT Marunda Grahamineral
- 2004 - 2005 Group Project Controller - PT Krista Margadata Utama
- 2003 Engineering & Contracts Manager/Director - PT Prima Contracting
- 2001 - 2002 Project Manager - Danau Mas Hitam Coal Project
- 2000 - 2001 Break from work to travel overseas and work for family company
- 1997 - 2000 Superintendent / Mine Planning - PT Nusa Halmahera Minerals - Gosowong Gold Project
- 1996 Mine Superintendent Petangis Coal Project - PT Darma Henwa
- 1994 - 1995 Senior Mine Engineer / Mine Planning - PT Indo Muro Kencana - Mount Muro Project (Aurora Gold Ltd)

- 1993 - 1994 Open Pit Engineer/Mine Planning & Scheduling - Placer Pacific Ltd – Porgera Joint Venture, Papua New Guinea
- 1991 - 1993 Open Pit Blasting & Production Engineer - Placer Pacific Ltd – Porgera Joint Venture, Papua New Guinea
- 1989 - 1991 Senior Mining Engineer - Placer Pacific Ltd – Porgera Joint Venture, Papua New Guinea
- 1986 - 1989 Mining Engineer & Shift Supervisor - Placer Pacific Ltd – Kidston Gold Mines, Far North Queensland, Australia
- 1985 - 1986 Marketing Co-ordinator - Komatsu Australia Limited – Heavy Equipment Manufacturer
- 1981 - 1982 Survey Assistant - Woodlawn Mines Limited – Goulburn, New South Wales, Australia
- 1980 - 1981 Underground Miner, Bogger Operator, Tradesman Assistant - Western Mining Corporation, Western Australia, Australia
- 1994 - 1995

FUNCTIONAL EXPERIENCE & KNOW-HOW

- Strategic Planning & Execution
- Board Management
- Governance, Compliance and Legal
- General & Operations Management
- Base Metals
- Gold & Silver
- Minerals
- Drilling
- Geology
- Coal
- Mineral Exploration
- Mineral Processing
- Iron Ore
- Project Planning
- Metallurgy
- Feasibility Studies
- Engineering
- Contract Management
- Procurement
- Safety Management/OH&S
- Budgets
- Earth Science

SPECIALIST KNOW-HOW

- Mine Management Systems
- Feasibility studies
- Pit optimisation & development
- Planning
- Scheduling
- Cost control / budgets
- Economic modelling including sensitivity analysis and field operations.

CURRENT AND PAST MEMBERSHIPS

- Fellow of the Australasian Institute of Mining and Metallurgy. Member since 1985
- AusIMM Secretary/Treasurer of the Far North Queensland Branch in 1988 and a Committee Member of same Branch in 1989
- Member of the American Institute of Mining Engineers (SME) since 1981
